

# Explore Franklin County, PA

With the new

**Franklin County is the heart of the Cumberland Valley and shows an amazing story of agriculture from the early American frontier to the present day.**

**The German Bank Barn represents Franklin County's agricultural history. These beautiful barns paired with 300 years of American history make-up the Stitches in Time Barn Quilt Trail.**

For the trail:

- We need property owners to host a barn quilt square.
- We need teams of painters to paint the squares.
- We need teams of installers to properly and respectfully affix the square to the barn, site of history, or mount on a sign post.

I am interested in Stitches in Time Barn Quilt Trail.

I want to:

- \_\_\_ Host a quilt square on my property.
- \_\_\_ Paint squares as an individual or be part of a team of painters.
- \_\_\_ Help to install the squares.

Franklin County Visitors Bureau plans to launch the trail with a Stitches in Time Barn Quilt Tour in October.
