

# DESTINATION CARES

Franklin County CTA Committee

## **Mission:**

The Destination Cares Committee is for those who take great pride in the environment and our county along with all the beautiful and historical sites there are to see. Members of this committee are dedicated to the revitalization and preservation of our trails, forests, historical sites, downtown markets, creeks, and waterways. They have a true passion for the great outdoors and are active individuals seeking opportunities to contribute and be involved.

## **Commitment:**

As a member of the Destination Cares Committee you will have the opportunity to work as a team and individually. Joining this committee tells us that we can count on you to help keep our county beautiful and we can call on you as opportunities arise. Volunteer efforts may be requested accommodating a variety of schedules, but will likely fall during days and weekends.

## **Communication:**

Communications will be led through e-mail and the FCTAP Destination Cares Committee Facebook group. You will also find opportunities to volunteer or attend on the calendar of events both located on [explorefranklincountypa.com](http://explorefranklincountypa.com) and [CTANetwork.com](http://CTANetwork.com)
